LET THE EVENING BE GIN!

the g&t

the fashionable crowd-pleaser of the moment.
a drink steeped in indian history.

the story: british east india company. early 19th century. quinine was used daily to tackle malaria, one of india's troubles. however, it was bitter to taste & before long it was being mixed with sugar, lime & water for easier drinking, & a slug of gin just to up the enjoyment. thus the gin & tonic was born and lives on to this day.

step 1:

FICK A GIN

	25ml	50ml		25ml	50ml
hendricks	6.75	8.75	tanqueray rangpur	6.75	8.75
hand crafted traditional botanicals with a unique infusion of cucumber and rose petals			exotic rangpur lime - a rare fruit originating from india, carrying all the zest of lime and the juiciness of mandarin oranges - is blended with ginger and bay leaves for a spectacularly fresh flavour alongside classic gin botanicals		
boe passion gin	6.75	8.75	opihr	6.75	8.75
fresh passion fruit and bright orange notes mixed with some classic herbaceous undertones			bursts of citrus balance with rich, earthy aromas and soft spice. opihr epitomises the exotic intensity of the orient, awakening the senses to a new style of gin		
pinkster	6.75	8.45	monkey 47	7.75	10.75
deliciously dry with juniper and coriander underlying a jammy raspberry note for an exceptionally smooth finish			an unusual gin from the black forest in germany, monkey 47 contains a unique ingredient, lingonberries. the 47 comes from the number of botanicals that go into this unique gin, and the fact it's bottled at a healthy 47%. some say less is more, not for monkey 47!		
bombay sapphire	6.75	8.45			
a fresh and lively gin, slightly floral with coriander & a warm peppery finish					
chase rhubarb & bramley apple	7.25	9.25			
tart rhubarb is balanced with tangy apple flavours along with hints of juniper. slightly spicy, this evokes the taste of warm rhubarb crumble with a crisp fresh finish					
tarsier south east dry gin	7.75	9.75			
citrus forward with aromatic, savoury mid notes that end with a lingering peppery finish
